

# WINDOW QUOTATION

YKK AP - Architectural Products

## Project Information

Date: 12/2/2026  
Product: YKK AP 350 Series Window  
Variation: 2 Tracks - 2 Leaves  
Dimensions: 1333mm (W) x 1222mm (H)  
Quantity: 1 units  
Glass: 6mm clear

## 1. PROFILES

| Item Code  | Description            | Length | Formula    | Qty/Window | Total Qty | Weight/m | Total Wt (kg) |
|------------|------------------------|--------|------------|------------|-----------|----------|---------------|
| PRF-350-HF | 350 Series Head Frame  | 1293mm | W - 40     | 1          | 1         | 1.85     | 2.39          |
| PRF-350-SF | 350 Series Sill Frame  | 1293mm | W - 40     | 1          | 1         | 2.15     | 2.78          |
| PRF-350-JB | 350 Series Jamb Frame  | 1182mm | H - 40     | 2          | 2         | 1.95     | 4.61          |
| PRF-350-ST | 350 Series Sash Top    | 617mm  | (W/2) - 50 | 2          | 2         | 1.45     | 1.79          |
| PRF-350-SB | 350 Series Sash Bottom | 617mm  | (W/2) - 50 | 2          | 2         | 1.55     | 1.91          |

## 2. HARDWARE

| Item Code | Description           | Qty/Window | Total Qty |
|-----------|-----------------------|------------|-----------|
| HW-LK-350 | Multi-Point Lock      | 1          | 1         |
| HW-HN-350 | Friction Stay Hinge   | 4          | 4         |
| HW-HD-350 | Aluminum Handle       | 1          | 1         |
| HW-SC-350 | Sash Corner Connector | 4          | 4         |

## 3. ACCESSORIES

| Item Code  | Description               | Qty/Window | Total Qty |
|------------|---------------------------|------------|-----------|
| ACC-DR-350 | Drainage Cap              | 2          | 2         |
| ACC-WB-350 | Weep Hole Cover           | 2          | 2         |
| ACC-SC-350 | Sealant (Cartridge)       | 1          | 1         |
| ACC-SS-350 | Stainless Steel Screws #8 | 20         | 20        |

4. GASKETS

| Item Code  | Description          | Length/Window | Total Length | Qty/Window | Total Qty |
|------------|----------------------|---------------|--------------|------------|-----------|
| GSK-350-GL | Glass Glazing Gasket | 5110mm        | 5110mm       | 1          | 1         |
| GSK-350-WS | Weather Strip Gasket | 5110mm        | 5110mm       | 1          | 1         |

5. GLASS

| Item Code | Description                      | Width | Height | Area/Pane | Qty/Window | Total Qty | Total Area (m²) |
|-----------|----------------------------------|-------|--------|-----------|------------|-----------|-----------------|
| GLS-350-6 | Insulated Glass Unit 6mm - clear | 607mm | 1162mm | 0.7048    | 2          | 2         | 1.4095          |

Notes:

- All dimensions are in millimeters unless specified
- Glass dimensions include 5mm clearance on all sides
- Profile lengths include standard cutting allowances
